

Letter of recommendation

We hereby confirm that PROMOSTAL Sp. z o.o. Sp. k. has manufactured and delivered two steel railway bridges for our project Hovinveien bru (No. 240841).

PROMOSTAL has manufactured the steel structure in their factory in Poland. The company was responsible for: delivery of materials, fabrication, documentation (shop drawings, quality documentation of steel) and delivery of completed works.

SKANSKA NORGE AS found PROMOSTAL to be an outstanding subcontractor. They exhibit the finest qualities in terms of their product, work, flexibility and efficiency in management. PROMOSTAL performed their work safely and solved the tasks and challenges of the project in an excellent way. Their management was very engaged in the project, helping to solve any problems that occurred during the course of the work.

PROMOSTAL has proven that they are a valued partner. SKANSKA NORGE AS is looking forward to work with PROMOSTAL in future projects. We can recommend PROMOSTAL as a very competent partner to work with.
