Reference

Veidekke Entreprenør AS had the pleasure of working with Promostal on the KBD 4 project in Skien, Norway.

Promostal was subcontracted to the following scope of work:

- Manufacturing of steel structure, ca 230 tonns.
- Assembly of steel structure.
- Assembly of TRP roof plates.
- Windows and aluminum façade.
- Steel stairs, railings and ladders.

Veidekke found Promostal to be an outstanding subcontractor. They exhibit the finest qualities in terms of product, work, flexibility and efficiency in management. Promostal performed their work safely and solved the tasks and challenges at the project in an excellent way. Their management was very engaged in the project, helping to solve any challenges that occurred during the course of construction.

Veidekke is looking forward to be working with Promostal in future projects.

Yours sincerely,
Veidekke Entreprenør AS
